

2025 MDD Academy Legal Series [WEBINAR] Accounting 101

About MDD

MDD is a global forensic accounting firm that regularly provides litigation support services and expert witness testimony in courts and arbitrations. We also frequently provide assistance during the discovery process, mediation and settlement discussions.

Time and again, our assessments have stood up to the scrutiny of cross-examination, making us the choice of both plaintiff and defense counsel around the world.

MDD Academy

The MDD Academy is a series of seminars/webinars for legal professionals on a range of accounting and financial topics relevant to disputes, corporate, family, criminal and other practice areas. They are free to attend for lawyers working in practice or as in-house counsel. We require all attendees to register in advance.

Date	Wednesday, 5 March 2025
Time	1:00 pm – 2:00 pm
Description	<p>This webinar serves as either an introduction to accounting or a refresher for those who may have studied accounting to a limited extent previously but have rarely needed to apply that knowledge.</p> <p>We will discuss the definition and purposes of accounting, explain the terminology used and consider how underlying records are maintained by businesses in order to produce the primary financial reporting statements. The ways in which an understanding of these issues can be applied in the context of advisory or disputes work will be emphasised throughout.</p> <p>Topics Addressed</p> <ul style="list-style-type: none"> > Fundamentals <ul style="list-style-type: none"> • Purpose of accounting • Books and records • Double-entry bookkeeping • The general ledger > Financial statements <ul style="list-style-type: none"> • Reasons for preparing • Governing rules/standards • Contents > Preparation process
Who should attend	The webinar is targeted at legal professionals whose work requires them to understand financial statements or accounting records.
Presenters	<p>Tay Li Lin, ACMA, CGMA, CA (Singapore) Supervisor lltay@mdd.com</p> <p>Li Lin graduated with a Bachelor of Business Administration (Accountancy) from National University of Singapore in 2017.
